

Customer Advisory # 002 – 2016 MADAGASCAR - Advance Cargo Declaration (ACD)

Dear Valued Customers,

Please note that As from 9th February 2016 (BL date – Shipped on Board date) for all shipment from/to Madagascar subject to Advance cargo Declaration (CTN No./ ENS No.)

This new regulation imposes to Customers to declare cargo information in advance and to ensure that:

- All cargoes (Import & Export) is accompanied by an Entry Summary Number (ENS) or an Exit Summary Number (EXS)

A/ IMPORT CARGO INTO MADAGASCAR:

1. Customers will need to register and log in onto <https://acdmada.com/> to proceed with the Advanced Cargo Declaration (ACD) and obtain an Entry Summary Number (ENS) for their respective shipments
2. ENS number must be provided to the Shipping Line prior loading in order to be included on the Bill of Lading and Cargo Manifest.
3. Shipping Line will proceed with the Advanced Manifest declaration to obtain the MRN (Movement Reference Number) from Malagasy port authorities.
4. ACD fees will be collected from receiver at POD prior delivery of the cargo. that there will be Administration fees 15euros per container.

B/ EXPORT CARGO FROM MADAGASCAR

1. Customers will need to register and log in onto <https://acdmada.com/> to proceed with the Advanced Cargo Declaration and obtain an Exit Summary Number (EXS) for their respective shipments
2. EXS number must be provided to the Shipping Line prior loading in order to be included on the Bill of Lading and Cargo Manifest.

3. Shipping Line will proceed with the Advanced Manifest declaration and will obtain the MRN (movement reference Number) from Malagasy port authorities.
4. ACD fees must be paid by the Shipper at POL prior issuance of the Original B/L or Waybill.

Thanks to note that it's mandatory for customer to Advance cargo Declaration, and customer fully responsible if can't provide this Reference No. prior loading.

Sincerely,

PT. CMA as agent for CNC
